Summary

A one-shot based on a fanfic.

Max had never worried about the future before, but she thinks differently now that she has her powers.

- A translation of [Une vie doit être sacrifiée](#) by [MiaQc](#)

Max had never worried about the future before, but she thinks differently now that she has her powers. She saved lives. Kate. Chloe. And now she has to choose: her city or her best friend. No, her love, her Chloe. Max doesn't want to choose between the two. She wants to save both. For that, a life must be sacrificed. Someone has to take that bullet that day. It will be Max. She's ready to sacrifice herself for the love of her life. If only she'd had the courage to tell her before she acted.
